Agenda items from the group

Our marketing team want to market new exercise classes with the the use of codes. Eg. quote this code when booking in and you get in free (so we would need some kind of record on Plus2) or book online and quote this promotional code and you get in free. Does anyone do anything like this?

Kelly Harris, Salford Community Leisure

Does anyone have courses bookable on E-connect?

Ann Smith, Blackpool Services

2.45pm-3pm
